EVENT RENTALS - SPRING 2024

ABOUT US

Large rental companies can be expensive and inflexible making plastic disposables seem like the only option. Fortunately, we have the ideal alternative for your next event.

Sustain LA is on a mission to be your eco-event sidekick! Wave goodbye to single-use plastics and throw a party that's kind to the planet. Let's make sustainability chic!

Getting started is easy! Submit our [Event Rental Form](#) to tentatively reserve your date. Don't worry- we can make changes as your event nears!

Explore our complete inventory including images or schedule an appointment to visit our showroom.

Our Rentals Coordinator will reach out with an estimate and answer all of your questions.

We offer delivery throughout Los Angeles and beyond, or choose pick up at our shop in Highland Park.

Leftovers? Food waste? Let us help!

We offer compost collection through our partnerships with local composters.

Additionally, we provide no-cost food rescue services, redirecting excess edible food from your event to community members in need.

TABLEWARE

Sustain LA offers a range of tableware options for your upcoming event, from vintage glass and china to compostable bamboo and classic white porcelain.
